MAC LOGAN

FINEST BLENDED WHISKY

Our finest blended Mac Logan whisky, with a distinctive, smooth and mellow flavor exhibiting some sweet grain mingling with the honey and vanilla brought in by the mature malts chosen for this blend. Mac Logan whisky is the representation of the traditional whisky.

By drawing on a higher proportion of aged single malt whiskies from specially selected casks, our deluxe blend offers a complex flavour with a touch of smokiness from the pleated malts showing through.
